

Please join us in the New Year at our first Open House on
Friday January 6, 2012
From 2:30 to 7:00pm.

We invite you to come see our new office space, meet our staff and find out how MindPetal will lead our clients to real value through solutions delivery in the New Year.

MindPetal will be announcing the launch of three new initiatives aimed at improving the delivery of technical services and helping our clients achieve maximum value.

Time	Event Description
4:00pm	MindPetal Announcement supporting the SOA/BPM User Group Formation.
5:00pm	MindPetal Announcement concerning our Technical Challenge Series
6:00pm	MindPetal Announcement concerning our Customer Solution Seminars

ONE ON ONE Solution based Working Sessions
from 3:00PM until 6:00PM

We are hosting, reservation requested, 20 Minute Solution based sessions with our Senior Technical Staff. Each session will focus on your most significant technical challenge implementing BPM and related technologies. We will work with you to address implementations in the areas below and discuss our suggested approach. Sessions are available for:

- Service Oriented Architecture,
- Business Process Management,
- Collaboration,
- Portal Delivery,
- Identity Management, and
- Development.

Our New Office is located at:

1604 Spring Hill Road Suite 100, Vienna, VA 22182

Non-Alcoholic Drinks, Beer, Wine and Lite Finger food will be provided.

Please RSVP to OpenHouse@MindPetal.com. If you are requesting a One on One Solution Session, Please specify the Session area and preferred time. Scheduling is reserved based on order received and all sessions will receive a confirmation e-mail.
